

**DEBORAH<sup>®</sup>**  
Heart and Lung Center

**DEBORAH<sup>®</sup>**  
Hospital Foundation

**2013 ANNUAL REPORT**

In 2013, Deborah Heart and Lung Center became the only hospital in Southern New Jersey to install the Siemens Artis Zee, a hybrid catheterization lab. This state-of-the-art system allows our physicians to visualize a patient's blood flow into the heart, brain, arms, abdomen, kidneys, legs, and toes with unprecedented flexibility and precision. The use of this new technology greatly increases diagnostic certainty and reduces the amount of time the patient spends in the cath lab.

## A MESSAGE FROM OUR LEADERS

Last year, Deborah Heart and Lung Center and Deborah Hospital Foundation prepared to launch into the next chapter of our future. A number of years of careful strategic planning and thoughtful use of our financial resources laid the groundwork for several new medical programs designed to enhance our core business strengths. It is crucial to point out that without the support of the Deborah Hospital Foundation, many of our new medical innovations would not be possible. The generous support of our donors, corporate partners, friends and volunteers continues to make the most sophisticated medical care available to our patients.

In 2013, we opened our Multi-Disciplinary Oncology Clinic in partnership with The Cancer Institute of Rutgers University. Our partnership with this highly-regarded program extends Deborah's pulmonary offerings to the next level of care and allows patients to receive a comprehensive team approach for lung cancer treatment...close to home.

Funded through a grant from the Robin Hood Foundation, the inception of our Respiratory Evaluation for Sandy Program (RESP) has taken Deborah's pulmonary team "on the road" and into the hometowns of our neighbors affected by Super Storm Sandy. Our team screens for respiratory abnormalities caused or exacerbated by exposure to mold, respiratory irritants, and chemicals used during the clean-up process. We are grateful to be able to provide this valuable community service to ease our neighbors' minds and direct them to follow-up care if needed.

While 2013 proved to be an exceptional year for the Foundation with many noteworthy happenings, three events stood out as deserving of special recognition:

Deborah was once again the recipient of the overwhelming kindness of Wakefern Food Corp./ShopRite through their gift of more than \$1 million; further confirming their untiring dedication and commitment to our great mission. Wakefern Food Corp./ShopRite has been one of Deborah's longest and most philanthropic benefactors. Since the late 1950's, Wakefern Food Corp./ShopRite, who believe in showing true community service to all of their

customers, has contributed over \$40 million to Deborah. Everyone here at Deborah and the countless numbers of patients who have benefited from their generosity are extremely grateful for the compassion and concern Wakefern Food Corp./ShopRite has demonstrated by further enabling Deborah clinicians to deliver the highest quality patient care.

Greg Olsen, PhD was so inspired by Dr. David Murphy, Pulmonary Chair Emeritus at Deborah Heart and Lung Center, that he made a major gift to create The Dr. David Murphy and Greg Olsen, PhD Pulmonary Rehabilitation Department. This gift included the purchase of the Endo-Bronchial Ultrasound (EBUS) which assists physicians in detecting lung cancer at its earlier stages. Dr. Olsen has our most sincere appreciation for his giving and philanthropic nature.

And lastly, we are so thankful for the gift left to Deborah from the estate of Ms. Suzanne Holmberg in the amount of \$2.1 million. Words cannot express our gratitude to this individual for having remembered Deborah, for having valued our mission, and for having such benevolence for others.

We are looking forward to another banner year of notable achievements with our donors, patients and clinical staff. Thank you for being on this journey with us and for your unwavering support of our mission.

## SPECIAL EVENTS

As another year passes, I am privileged to send my sincere and deepest thanks to all of our Special Events family.

Deborah continues to thrive only because of your support. We would be unable to help so many people in need of our care without you.

You are the driving force in the success of Deborah and I am honored to be a part of your lives. Our friendships have been decades long, we have been through good times and bad, and still your commitment grows.

Congratulations and thank you all for choosing Deborah as your "Charity of Choice."

With every warm wish.

Corinne Kashan  
Executive Director, Special Events

#1 Jerry Jordan and Corinne Kashan accept a one million dollar check from Wakefern Food Corp./ShopRite.

#2 & 3 IAM (International Association of Machinist and Aerospace Workers) honoring Jimmy Conigliaro.

## NATIONAL VOLUNTEER SERVICES

Today Deborah volunteers continue to function in various capacities with one simple goal of helping others. In 2013, our volunteers and supporters played a unique role in raising funds and spreading the word of Deborah throughout their communities. Working alongside these dedicated individuals who have impacted the lives of others has been one of my most rewarding experiences as Director of National Volunteer Services.

During this year, I have witnessed the hard work and dedication given by volunteers through the many events held by chapter members, outside organizations and individuals. I am extremely proud of the fact that our volunteers not only provide an unbelievable amount of talent and energy, but they can always be counted on to give of themselves while expecting very little in return. They are truly the motivating force behind our success.

As we continue to focus on providing the best, most-advanced care to our patients, we ultimately rely on the commitment of people like you, extraordinary people who truly want to make a difference. As you review our accomplishments throughout this *2013 Annual Report*, please consider being part of our future.

## RESPIRATORY EVALUATION for SANDY PROGRAM

In the months following Hurricane Sandy, the devastation in the South Coast region has been...  
...local...  
...erns,

ing Center is conducting multiple pulmonary and...  
...throughout the region.  
...available...  
...individuals, children (over age 12),  
...tractors that may have been exposed to...  
...caused by the aftermath of Sandy.

...generously funded  
Robin Hood Foundation.

**Screenings include:**

...ssure  
...oximetry  
...ation of the Lungs  
...ary Function Testing

In 2013, with help from a grant by The Robin Hood Foundation, Deborah Heart and Lung Center created the Respiratory Evaluation for Sandy Program (RESP). This program provides both cardiovascular and pulmonary screenings to individuals aged 12 and older who were affected by Hurricane Sandy. Through a series of outreach events in 2013, RESP screened 930 individuals in Ocean and Monmouth counties. Of those 930 individuals, 85 required follow up care.
