MESSAGE FROM THE  
**CHIEF DEVELOPMENT OFFICER**

2017 proved to be another incredible year for the Foundation and all of Deborah's patients. Last year the Foundation received a total of 13,330 gifts from 45 of the 50 States generating more than \$6.2 million. In addition, the Foundation received gifts from donors in Canada, Denmark, Italy and the United Kingdom.

With the selfless support of thousands of annual donors, the Foundation is able to provide critical funding for a multitude of key initiatives at Deborah. Here are just a few of the areas that received funding from the Foundation: The Fellowship Program, The Children's Heart Center at Deborah, The Patsourakos Operating Suites, Out Patient Services, Patient Transport, Nursing, Research, Volunteer Services, Electrophysiology, Cardiology, Pulmonary Medicine and Interventional Cardiology.

It has been nearly 100 years since Deborah officially opened and began our incredible mission of providing high quality specialized healthcare. Remarkably to this day, there remains no out-of-pocket expense to our patients for services they receive at Deborah.

Deborah Hospital Foundation continues to play a vital role in maintaining this altruistic billing philosophy. The continuance of this tradition is only possible through the incredible generosity shown each year by our loyal supporters, many of whom are listed on pages (4-8).

With your continued support we will reach even greater heights in the years to come.

Thank you for making Deborah one of your charities of choice. And please always remember, when **You Give, People Live™!**

Gratefully yours,

Steve Toal  
Chief Development Officer
