**MESSAGE FROM OUR
CHAIRMAN OF THE BOARD**

Thank you for joining me in support of Deborah Hospital Foundation. Despite having been around Deborah for decades (first as a pediatric patient), I continue to be amazed at how countless individuals, foundations, and corporations come together every year in support of this wonderful organization.

As a lifelong resident of New Jersey, I have witnessed the vital role that Deborah Heart and Lung Center has played in communities across the state. It is easy to reflect on these former achievements, but that does not tell the whole story.

You see, Deborah continues to play a meaningful – and perhaps leading – role in New Jersey and the greater region. Our work is significant, and it is clear from the statistics (both medical and financial) in the following pages that Deborah not only plays a vital roll, but continues to fulfill the promise of its founders.

This is why I am excited to share with you Deborah Hospital Foundation's 2018 Annual Report. With 11,581 gifts from individuals and families, 1,007 grants from Foundations and Corporations, and 63 realized bequests, Deborah continues to be a "Charity of Choice" to so many people around the country.

In closing, thank you for your generosity and continued belief in Deborah Hospital Foundation. We simply could not do what we do without the support of each and every one of you. From the bottom of my heart – and on behalf of my fellow Board members – I thank you for keeping a special place in your heart for Deborah.

In good health,

MESSAGE FROM OUR FOUNDATION LEADERSHIP TEAM

Since our incorporation in 1922, Deborah Heart and Lung Center has been reliant on philanthropy. This has come in the form of financial contributions as well as hundreds of thousands of volunteer hours.

Thanks to the generosity of those listed in this year's Annual Report, Deborah continues to be a beacon of hope and dependability in an era where healthcare is riddled with uncertainty, red tape and exorbitant costs.

While Deborah's storied history is inspiring, it is with unbridled excitement that we march together into our future. We take seriously our responsibility as stewards of the funds you provide. We maximize their impact while exhibiting sound financial principles and best practice management policies, while remaining completely transparent as an organization.

In presenting this report, we wanted to highlight the impact philanthropy and volunteerism have on Deborah each and every day. Here are two quick examples of how organizations and people affect the lives of others:

- The Independent Pilots Association Foundation has supported our pediatric programs and Children's Heart Center at Deborah for more than 15 years, providing annual grants for vital pediatric equipment. This relationship was started through a casual conversation with a Deborah Volunteer, demonstrating how good stewardship can ensure continued support, significantly impacting thousands of patients.
- A generous gift from Mr. Evan Quarton helped fund this year's Competency Assessment Fair. This event is a critically important two-day, interactive seminar that hones the skills of our caregivers.

Demonstrable impact like the examples above keeps the Foundation Team focused and reminds us that "we're all in this together." Donors support the Foundation, the Foundation supports Deborah, and Deborah supports the patients. It's a cycle of gratitude – one in which we are so thankful you continue to play an important role.

At Deborah Hospital Foundation, we focus not solely on the gift amount, but the intrinsic value of donor relationships. We thank you again for your continued support of Deborah.

With gratitude,
