ANNUAL REPORT

MESSAGE FROM OUR CHIEF DEVELOPMENT OFFICER

Welcome to Deborah Hospital Foundation's 2019 Annual Report.

One of the joys in preparing our Year in Review, is that we get to revisit and acknowledge some of last year's most impressive accomplishments.

Highlighting just a few:

- Publically launched Deborah100: The Campaign - to build a new patient tower with all private inpatient rooms
- Provided nearly \$7 million in program support to Deborah Heart and Lung Center
- Received donations from individuals in 45 of the 50 States
- Maintained elite status with Charity Navigator as a trustworthy charity

Considered the 'heart' of New Jersey, Deborah continues to be a vital resource for the state's most vulnerable patients.

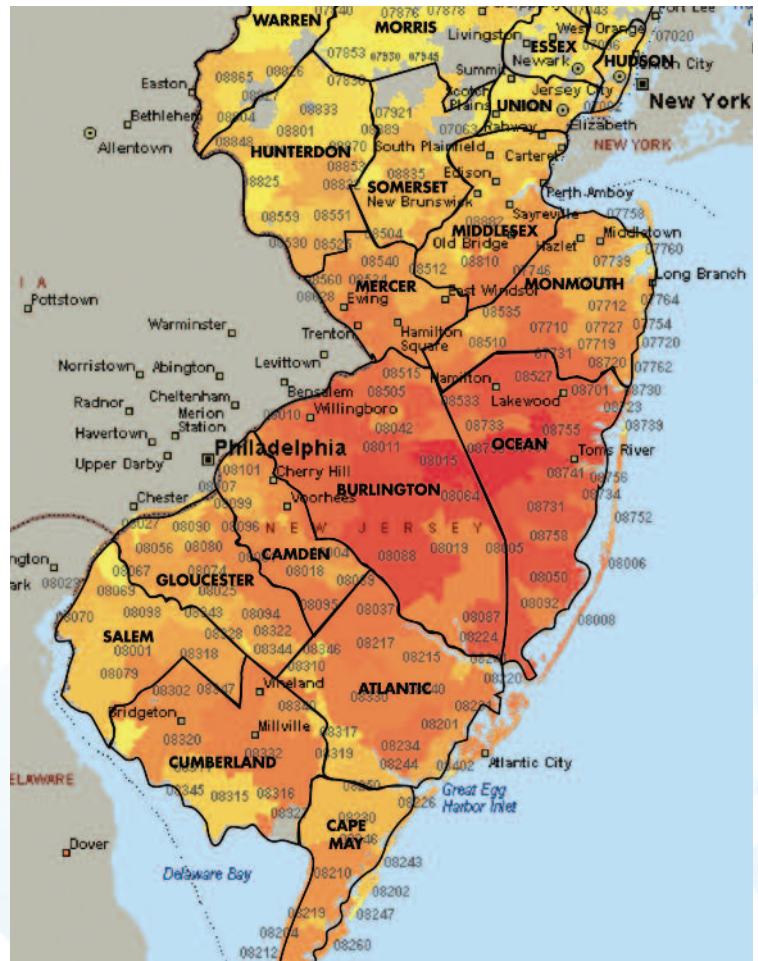

In 2019, Deborah treated patients from all 21 counties in New Jersey. As the map, indicates, the majority came from Burlington, Monmouth and Ocean Counties. However, a significant number of patients continue to travel great distances to be seen at Deborah. Patients from 36 of the 50 States, came to Deborah and benefitted from our specialized expertise in heart, lung and vascular disease. In total, nearly 80,000 patient visits were recorded last year.

As you read the names of some of the generous individuals, families, foundations, and corporations who supported us in 2019, please remember that a gift to Deborah has a far-reaching impact. You will not just be affecting the lives of patients from our immediate area, but patients throughout the state, region and country.

Deborah donors, and their unwavering commitment, have been an essential component in our success for the past 98 years. On behalf of all those we care for, thank you for your personal support which has made a difference in the lives of so many.

A handwritten signature in blue ink that reads "Steve Toal".
