

Mother Knows Best

Deborah Hospital Foundation is happy to welcome Karen Carlomano as a new member of the Heritage Circle Society.

After recently settling her mother's estate, Karen made the very wise decision to update her own estate plans. When meeting with her attorney, her mother's wish that she help others was in the forefront of her mind, so it is no surprise that she chose to help charitable organizations with her estate. Her attorney helped research charities where her gift would make the most impact. After phone calls and thoughtful questions to several organizations, Karen selected Deborah Hospital Foundation.

When asked, "Why Deborah", Karen lists our 4-Star Charity Navigator rating, our 96+ year history of saving lives, and our no balance bills philosophy as initial reasons. But learning of our relatively new Congestive Heart Failure (CHF) Program cemented her decision, as her

Karen Carlomano learned much from her mother – good manners, an appreciation of life, and a sense of style. But perhaps, the most important lesson she learned was to help others.

beloved mother suffered with congestive heart failure (CHF) for many years. "Knowing that my gift to Deborah will help prevent others from suffering as my mother had means everything to me."♥

If you are considering joining Karen in leaving a bequest gift to Deborah Hospital Foundation, we can help you tailor one that meets your financial and philanthropic goals. If Deborah is already a part of your plans but you have not let us know, please do so we can include you as a member of our Heritage Circle Society.

If you want more information about Deborah's Congestive Heart Failure Program, please call 609-621-2080 or visit DemandDeborah.org.
