

# ANNUAL REPORT 2020

## MESSAGE FROM OUR FOUNDATION LEADERSHIP TEAM

Over the last year we experienced a seismic transformation to our normal way of life. One notable change was to our perspective. Today, we don't look at things the same way we once did. We don't take life for granted as we once did. We seem to have a greater appreciation for others than we once did.

Each year, thousands of families come to Deborah Heart and Lung Center seeking specialized medical expertise by the country's most revered and dedicated medical professionals. Like you, Deborah's incredible doctors, nurses, ancillary and support staff are woven into the fabric of their families and communities. It's easy to take them for granted and forget they, and their families, endured the same pandemic-related challenges as the rest of us. In spite of that, driven by their dedication, they continued treating and caring for patients and their families during life's most difficult moments.

Although our organization faced extraordinary challenges in 2020 as a result of the pandemic, it was through the commitment of our donors, patients and staff that we persevered and are excelling once again. Here are a few highlights from 2020; Deborah100: The Campaign reached \$14 million in gifts and pledges, while the Foundation raised more than \$5 million in support of patient care, and for the fifth straight year we remain the highest rated hospital foundation in New Jersey receiving a perfect 100/100 rating from Charity Navigator.

Thank you again for your generosity in support of the incredible work we do all day, every day at Deborah. On behalf of Deborah's doctors, nurses and all of our dedicated employees, we wish you a healthy summer. Stay safe and keep well.
