

MESSAGE FROM OUR Foundation Leadership Team

Dear Deborah Hospital Foundation Donors,

What a year it's been. Deborah Heart and Lung Center marked its 100th year of providing high-quality specialized care to the region and the Deborah Hospital Foundation once again achieved Charity Navigator's highest rating as a trustworthy nonprofit with a perfect score of 100/100.

We are so grateful for your continued support of our mission to provide compassionate, innovative, and comprehensive care to patients with cardiac, pulmonary, and vascular disease. Your generosity allows us to continue to invest in our programs and services, so that we can provide the very best specialized care throughout the region.

With the philanthropic support of the Foundation, Deborah was able to make significant enhancements:

- Pharmacy – New pharmaceutical clean room for sterile IV compounding. This is important for patients who require complex medication regimens.
- Interventional Cardiology – Upgraded equipment and software in one of our cardiac catheterization labs. Allowing for quicker procedure time and faster recovery time for our patients.

We are also proud to announce a number of awards and recognitions Deborah received in 2022, including:

- *The US News & World Report* ranked Deborah as a High Performing Hospital for Abdominal Aortic Aneurysm Repair, Heart Attack, Heart Bypass Surgery and Heart Failure
- The American Heart Association's Get With The Guidelines®-Heart Failure Gold Plus Quality Achievement Award
- The Society of Thoracic Surgeons' Adult Cardiac Surgery National Database awarded Deborah a three-star rating

Deborah's quality improvement strategy focuses on implementing rigorous data analysis, fostering a culture of continuous learning, and empowering team members to actively participate in identifying and resolving quality-related issues. These awards are a testament to the hard work and dedication of our entire team, and we are grateful for the recognition.

Deborah Hospital Foundation is committed to maintaining our reputation as a quality organization that values innovation, exceptional care and meaningful relationships with our patients and donors.

Thank you again for your generosity in support of the incredible work we do all day, every day at Deborah.

Stay safe and keep well.

Deborah® Highlights

Innovation

In 2022 we continued to demonstrate our passion for exceptional patient care with the introduction of innovative technologies and therapies that continue to differentiate Deborah from other local healthcare providers. Included are:

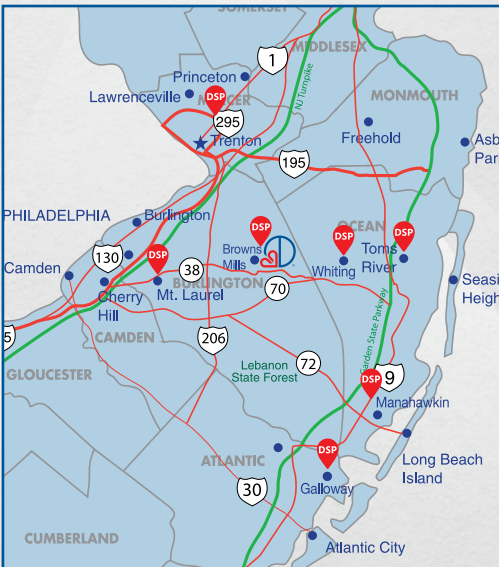

- ♥ Robotic surgery – unparalleled ablation catheter navigation with the updated stereotaxis device
- ♥ A high-quality MRI machine for precise cardiac condition diagnosis
- ♥ Electrical Phrenic Nerve Stimulator revolutionizing sleep apnea treatment

Construction

A new three-story vertical addition to Deborah's existing hospital building is currently being constructed, with completion expected next year. With 36 private patient rooms that are critical care and isolation capable, the \$108 million construction project will modernize our patients' experience. This is the first major capital expansion at Deborah's Browns Mills campus since the mid-nineties. Upon completion of the new patient rooms, the following renovations are planned:

- ♥ Three existing patient care units will be renovated
- ♥ Upgraded cardiac catheterization labs
- ♥ New Pharmacy clean-room

Expansion

Deborah continues to expand the delivery of patient care to local communities with physician practices, Deborah Specialty Physicians (DSP). Deborah's patient-centered approach focuses on comfort and convenience, offering patients high-level specialized care in local community settings, close to home.

Deborah Specialty Physicians (DSP) seven locations:

Burlington County
Browns Mills
Mount Laurel

Mercer County
Lawrenceville

Atlantic County
Galloway

Ocean County
Toms River
Manahawkin
Whiting

Deborah Specialty Physicians is a private physician practice. The name "Deborah" is a registered trademark of Deborah Heart and Lung Center, and is used under license granted by Deborah. All Rights Reserved.
